Dear Judge Brieant:

This firm represents the defendants in the captioned matter. The parties were recently advised that the court has scheduled a Case Management conference for February 8, 2008 at 9:00 a.m. As we have recently been retained with respect to this matter, we respectfully request that this conference be adjourned to February 15, 2008 at 9:00 a.m. We also request that defendants' time to appear, answer or otherwise respond to the complaint be extended to February 15, 2008. It is our understanding that today is the original answer date. We have spoken with plaintiff's counsel, who has consented to these adjournments.

Thank you for your consideration of the foregoing.

Sincerely,
